LARGE SIZE MICROFIBER CLOTH FOR HEAVY DUTY USES

Everything is maxi except the price!

And everything is 100 % (microfiber, polyester, effectiveness).

Why Maxi?

Because of its size: 50 x 60 cm.

Because of its recovery capacity: cleaning large or filthy surfaces.

Because of its multi-task action: floors and surfaces.

Because of its effectiveness: 100 % microfiber.

Because of its longevity: 300 washes.

This great 100 % polyester microfiber tool enables you to polish your car, put the finishing touches to your work surfaces and even scrub your floor effortlessly.

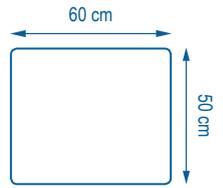

It's the Swiss army knife of classic cleaning and will quickly prove indispensable.
